Young Parliamentarians Forum

(January-March 2026)

Young Parliamentarians Forum Delegation Holds Consultative Session with Punjab Education Minister on Youth Initiatives

On 17th January 2026, the Young Parliamentarians Forum (YPF) delegation, led by President YPF President, held a consultative session with Punjab Education Minister Rana Sikandar Hayat at the Nawaz Sharif Centre of Excellence, Lahore. Discussions centered on strategies against drug abuse, youth governance participation, leadership, and the Youth Ambassador Programme, vital for Punjab's 60% under-30 population and 20 million students. Emphasis was on school awareness campaigns, mental health, and nominating Youth Ambassadors for representative roles, including climate and green environment initiatives. YPF aims to bridge government-youth ties.

Young Parliamentarians Forum Holds Briefing Session with Ministry of Interior and Narcotics Control on Youth Anti-Narcotics Drive

On 22nd January 2026, the Young Parliamentarians Forum (YPF) hosted a briefing session with the Ministry of Interior and Narcotics Control, chaired by the YPF President, at Parliament House on the Youth Anti-Narcotics Drive. Discussions covered awareness campaigns, rehabilitation facilities, inter-agency coordination, and emerging threats such as synthetic drugs. YPF is committed to legislative oversight and advocacy, linking these efforts to youth resilience in climate and green initiatives. Representatives from the ministry briefed the participants on preventive strategies against drug abuse affecting Pakistan's youth majority.

Young Parliamentarians Forum Delegation to Hold Consultative Session with Sindh Education Minister on Youth Initiatives

On 29th January 2026, the Young Parliamentarians Forum (YPF) delegation, led by the YPF President, held a consultative session with the Sindh Education Minister on youth initiatives. The session focused on promoting youth leadership, preventing drug abuse, enhancing mental health awareness, and advancing green initiatives across Sindh. Emphasis was placed on early prevention through educational institutions, meaningful youth participation in governance, and civic education. The Youth Ambassador Programme was highlighted as a key link between youth and legislators. Proposals included conducting joint seminars.

Pakistan–Türkiye Parliamentary Cooperation and Youth Engagement Dialogue

On 10th February 2026, Syeda Nosheen Iftikhar, President of the Young Parliamentarians Forum (YPF), met with Mrs. Zeynep Yıldız, Member of Parliament in the Grand National Assembly of Türkiye, in Islamabad to discuss strengthening bilateral cooperation, enhancing youth engagement, advancing AI-driven governance, and promoting institutional collaboration. Both leaders underscored the importance of democratic values and youth exchanges in fostering mutual understanding between the two countries.

President YPF proposed establishing the Young Parliamentarians Forum in Türkiye and appreciated the scholarships provided to Pakistani students. The meeting reaffirmed strong Pakistan–Türkiye relations and highlighted parliamentary diplomacy as a key tool for deepening engagement, promoting innovation in policymaking, and empowering young leaders through sustained institutional cooperation and future-focused governance initiatives.
